## NEGRO HELD FOR COURT

### Preliminary Hearing is Given Kemp Smith for Brutal Assult on Aged Couple.

Kemp Smith, the young negro charged with the assault of Mr. and Mrs. William Noble, an aged couple of near Centerville, was held for court at a hearing this afternoon before Justice William Taylor at Centerville. Mrs. Noble appeared at the hearing and stated that she thought the man was the one who had attacked her and her husband, but did not positively identify him. Mr. Noble was unable to appear. The father of young Smith, was present and was asked a few questions, but there were no other witnesses for him.

Other witnesses heard for the prosecutor were Clayton Baker who said he saw M. Percy's horse hired by Smith hitched to a fence near the Noble home Saturday night. Mr. Percy owner of the horse testified. A man from Brownsville testified to owning the handy billy with which the aged Mr. Noble was felled.

Constable David Mathers of North Charleroi took the man out this morning and will return with him later today. No bail was fixed. District Attorney Acheson attended the hearing.

## MOZART CLUB WILL NOT COME HERE

The Charleroi Women's Auxiliary of the Monessen-Charleroi Hospital has decided to not take up the matter of securing the Mozart Club of Pittsburg for a concert. The Auxiliary considered that it was too big an undertaking to secure the club here, inasmuch as there have already been a large number of musical organizations booked.

## NO LICENSES HAVE YET BEEN ISSUED

### Milkmen Well Wait Until Board of Health Has Papers Prepared.

True to their promise, the milkmen controlling the milk trade in Charleroi resumed their regular trips today, after having given the borough a one day's taste of milk famine. There have been no applications for license, and no licenses issued to the dairymen. The board of health have not yet had time to have prepared the application papers and until they do the dairymen will continue their business the same as before. The Milkmen's Association will hold a meetng when notified by the board of health that the application papers are ready and will immediately thereafter present their applications, and receive licenses.

## ALLEGED SHORTAGE

### Government Inspector Williams Makes Investigation at North Charleroi.

An alleged shortage of $1,067 in the acounts of Postmaster Robert G. Staley at North Charleroi which has been made good by his bondsmen, John Hogan and Jacob H. Zollars, has created a mild furore in that borough and Charleroi. No public action has been taken in the matter, although Government Inspector Williams has been here in charge of the matter. For the present Miss Ada Wolfe, Staley's assistant, is being retained in the postoffice as acting postmaster until another is appointed to the place.

Last night Mr. Staley was questioned closely as to what had been done with the money, but admitted that he could not remember of spending more than $175, and that for needed repairs. The affair came as a shock to the community, which had implicit faith in Mr. Staley's honesty. He formerly was the principal of the school at North Charleroi, and was well liked. He has a wife and one child.

Some public action may follow. At present the postoffice is in charge of Mr. Staley's bondsmen.

### Shaner—Barrett.

The wedding of John Barratt of Charleroi and Miss Ethel Shaner of Monongahela occurred yesterday in Washington. The couple went to the county seat, secured their license and were married straightway. After the ceremony the couple left for Cumberland, Md., where they will spend a few days before going to Monessen where they expect to reside.

Mrs. Barratt is the youngest daughter of Mr. and Mrs Wesley Shaner of Monongahela, and is a well known young lady. The groom is the nephew of Thomas Harrington of Charleroi, formerly superintendent of the Pittsburg Railways company. He is at present employed at the Pittsburg Steel company at Monessen as a craneman.

## RESULT OF BIG CONTEST WILL BE DOUBTFUL TO END

### Race for Prizes So Close in Most Districts that Question of Outcome Can Only be Settled by Final Developments—Three More Days of the Twenty-Five Thousand Bonus Vote Offer.

## UP RIVER CANDIDATE LEADES CONTEST

**BONUS OFFER**

25,000 Bonus Votes will be given on every $25 turned in on subscriptions this week. Get Busy, Stay Busy.

Three days before the close of the twenty-five thousand bonus vote offer. Candidates should grasp this opportunity and get in every possible subscription, for this offer is POSITIVELY the best as they will be smaller each week. The contest is as much in doubt as when it was in the earliest stages.

So close are the leading contestants running in most districts that the question of the final outcome can only be settled by the final developments. The result will be doubtful until the very end.

No matter, however, how well any contestant has been supported to date he stands in need of every subscription he can possibly secure in the remaining days.

It is really the people who decide the question of the outcome, for upon the extent to which they help their favorites with subscriptions depends their success of prize winning.

The victory at the finish will go to the contestants who are most active in their solicitation of support during the remaining days of the campaign.

As a result of today's balloting Mr. George Collins wrested the leadership honors from Mr. Harry Vetter. It promises to be a grand race. Who will be in first place tomorrow?

## PITTSBURG SINGERS APPEAR FOR ELKS

### Concert at School Hall Last Night Pleasing Musical Event of Season.

The Elks' Concert given at School Hall last night, while it did not draw largely as anticipated, was one of the foremost musical events of the season in Charleroi, and those who attended were given a treat. The concert was given by four noted Pittsburg singers, and a local violinist.

The singers were Mrs. Charles Farrow Kimball, sopano; David Stephens, tenor; Miss Christine Miller, contralto; and John Roberts, basso, Miss Miller was probably the favorite, although from the liberal applause which was given each performer it was difficult matter to determine the one winning the best graces of the audiences.

As a quartet the singers were very good. Their rendition of Pinsuti's "Good Night, Good Night Beloved" was the best, although the selection from Verdi, "Fairest Daughter of the Graces," was of exceptional merit.

The vocalists excelled in solo work. Miss Miller rendered all her solos in a fine manner, her best probably being "The Danza" by Chadwick. Mrs. Kimball's rendition of "The Nightingale" won for her great applause. Her other selections were on a par with it. John Roberts, the basso in "Danny Deaver," by Damrosch, was one of the "hits" of the evening. His "For All Eternity," by Mascheroni, with the violin obligato by Mr. Wheeler, was especially pleasing. David Stephens, the tenor, produced his best efforts, and was rewarded by liberal applause. All of his selections were on a par, one not appearing better than another.

Joseph A. Wheeler of Charleroi was the violinist, and his fine choice of selections and excellent rendition of them, made him a favorite. It was the first time that he has been heard on a Charleroi stage, and his talent burst forth in a blaze of glory. Vincent B. Wheeler was the accompanist and performed his work in commendable style.

## CONGREGATION WILL TENDER RECEPTION

A farewell reception for Rev. and Mrs. H. C. Boblitt it being arranged by members of the First Christian church to be given at the church Friday evening. The affair will be preceded by a meeting of the Anchor Class of the Sunday School. On Saturday Rev. and Mrs. Boblitt will go to Philipsburg, near California, to hold evangeliatic services. From there they will go to Ohio for a two week's vacation and then will return to Homestead to hold a series of meetings. Rev. Boblitt has about a year's engagement ahead.

## NEW LIBRARY PLAN TO BE ANNOUNCED

### Edward Amherst Ott Starts System Which May be Taken up Here.

At the special number of the Citizens Entertainment course at School Hall tonight, when Mrs. Cornell-Whitney will give an elocutionary and impersonating entertainment, a co-operating reading course will be launched. About 30 volumes of current fiction will be distributed among the audience with instructions to read the book within a week's time and then pass it along to some one else.

The plan was originated in this community by Edward Amherst Ott of the Redpath Lyceum Bureau of Chicago, when the latter lectured here last month. The object is a plan for economy in reading, for fellowship, and a test of the spirit of helpfulness. It is also a protest against the high pricer of a certain class of books. The books are donated by various individuals, and are public property. Each reader is asked to write his name, address and date of reading on a fly leaf of the book and pass it on. The books never come back.

This plan is a circulating book instead of a circulating library. It is purely a co-operative plan and everybody is asked to join in the movement, and steps will be taken from time to time to secure new books and start them out on their misson of enlightment.

## Fallowfield Township Teaching Agriculture

In reference to educational affairs Fallowfield township enjoys a distinction that belongs to no other township in Washington county at the present time. One of the studies taught in all of the schools of that township is agriculture. County Superintendent Crumrine visited the schools in that section last week and found that study to be one of the most interesting in nearly every school. A regular text book is used and besides this the teachers make use of the wonderful natural resources surrounding their school houses. In many of the school houses earth has been placed and the children have planted seeds. In this way they are taught the formation of the soils, the different processes the seeds pass through and many other valuable points.

### Tecolote Club Dance.

The Tecolote Club of California, have issued invitations for a dance to be given on Friday evening, March 11, at their club house. Dancing will be from 8:30 to 1:30, music to be furnished by Jenkins' orchestra. The committee arranging the affair is composed of W. R. Musser, A. B. Linhart, Ray B. Drum, W. W. Williams, J. L. Crow and W. E. Hart.

## HEAVY FOG BOTHERS RAILROAD TRAFFIC

### Morning Train Held Back 45 Minutes in Leaving Union Station.

The heavy fog enveloping the Monongahela valley this morning caused great inconvenience to railroads and various concerns. The early morning trains were all running late as a result, train No. 16, due here at 8:17, reaching the climax, it being 58 minutes late. This train left Union Station, Pittsburg, 45 minutes late, owing to the fog, which was heavier there than it was farther south. The train had lain all night at 30th street and from the disarranged traffic this morning was unable to get to Union station to start out on schedule time.

## TROUBLES OF BABISH

### Fayette City Man Has Share and Then Some---Child Burned To Death.

John Babish of near Fayette City and another foreigner were arrested yesterday by a State plain clothes man, for owning and carrying weapons. They were both taken before Justice Frank Benalick of Fayette City and fined $25 and costs each. The offense was claimed to be a violation of the Act of Assembly regarding the owning of guns by foreigners.

Babish is the husband of the woman who has become noted for her sensational actions at Fayette City. She has tried to drown herself and babe, and in other ways do away with her life. Last week, it is stated the Babish child was burned to death, but whether or not the woman had anything to do with this is not stated. She is said to be insane.

## SMITH IN VICINITY?

### Fallowfield Township Resident Thinks He Saw Murderer Monday.

Frank Smith, the man who shot and killed his father and brother-in-law at Dunn's Station, Fayette county last Sunday, is believed to have passed through this section Monday in his flight from the scene of the murder. Yesterday afternoon a Fallowfield township farmer who came to town communicated with Chief of Police Albright in regard to a suspicious character he had encountered on the Maple creek road the day before.

The farmer says he was walking up the road when he saw a man approaching. The latter, on seeing the farmer, however, left the road and started up the hill in the direction of Monongahela. The man wore wool boots and his description tallied with that telegraphed to Chief Albright by the district attorney of Fayette county. The farmer says the man had something up his sleeve with an object protruding that looked like the butt of a huge revolver. It is thought that if it were Smith he would strike for the country districts, avoiding the towns until he could take the railroad at some unwatched place.

## BEGINS ANNUAL SPRING TRAINING

The Charleroi High School track team, under Coach George H. Cheeseman, is busy training for the annual Valley High School Field meet which will be held some time in May. The team is under the captaincy of Lloyd Carson, and although the school suffered much from loss of several strong athletes from last year, still has plenty of good material. The Concordia Hall has been engaged for the spring workout, and will be used three evening a week.

### Steropticon Lecture.

George L. Olney and wife of New York city are here a few days giving stroptican lectures in the churches on "The Wayward Son." Next Sunday evening the lecture will be given at the Methodist Episcopal church and on the following Tuesday evening at the First Baptist church. The story portrayed in the lecture is about a boy leaving home and his wild experiences thereafter.

## An Important Move.

The deal the borough council has completed with the Pittsburg Railways company whereby the latter agrees to open McKean avenue through its private right of ways to the North Charleroi line is a most important one. This makes Charleroi's main thoroughfare continuous and removes an awkward situation at the north end of town. While the street car lines runs direct through from North Charleroi, the public thoroughfare for driving was around this right of way by way of Lincoln avenue.

This inconvenience, which has existed from the time the town was laid out, will now be removed. This will add very materially to the well being of the town and in effecting the extension council has accomplished a good work.

## What Arbitration Does.

Charleroi has afforded an example of arbitration that Philadelphia will do well to follow. The settlement of the vexed milk question, in the dispute between the Fallowfield Township Milkmen's Association and the borough council and board of health in regard to regulations and inspection, had reached a breaking point which threatened to impose a milk famine on the town. Not only that, but in the controvery, which had become heated, other business interests were threatened, and a factional fight was imminent.

Just as the controversy had reached a climax a body of disinterested citizens took the matter up, and in a conference between the milkmen, the board of health, and themselves, the matter was easily adjusted. It was not at all difficult to come to an understanding when every side was presented and understood, with each party willing to concede a point or two in the interests of peace. This can be accomplished in nearly every dispute of like nature if only reason, justice and good sense will be employed. There are always two sides to a dispute, and nothwithstanding the oft repeated assertion, "there is nothing to arbitrate," it is always stubborness and prejudice on one side or the other that make such disputes and strikes disastrous to the public and those involved.

Street Commissioner Jacob Hormell, and his men have begun the annual spring cleaning of the streets and are rapidly putting them in presentable shape. Since the beginning of winter the streets have been in a dirty condition, owing to the frequent snows, but now with the opening of the weather an effort is being made to have them put in better condition.

### Card of Thanks.

We desire to express to our many friends and neighbors our deep gratitude for the many expressions and tokens of their sympathy with us in our recent bereavement in the loss of wife and daughter. Especially do we wish to thank those who so kindly and patiently ministered to our loved one during her illness, those who gave the beautiful floral tributes, among which was one that specially touched our hearts—"the broken circle"—and those who sang. These were all so many expressions of Christian love and friendship, for which we desire to express our heartfelt thanks.

## FOR CONSTIPATION

**A Medicine that Does Not Cost Anything Unless It Gives Satisfactory Relief.**

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that we honestly believe will effect permanent relief if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction we promise that it shall cost you nothing.

No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The acitve medicinal ingredient of this remedy, which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other valuable ingredients, it forms a preparation which is incomparable as a perfect regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy, and are notable for their gentle and agreeable action. They do not cause griping or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children and for delicate or aged persons, because they do not contain anything injurious. Unlike other preparations they do not create a habit, but instead they overcome the habits acquired through the use of ordinary laxatives, cathartics, and harsh physic, and remove the causes of onstipation or irregular bowel action that are not of surgical variety.

We want you to try Rexall Orderlies at our risk. We know of nothing that will do you so much good. They are prepared in tablet form in two sizes: 36 tablets 25 cents and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Charleroi only at our store—The Rexall Store. John W. Carroll.

## ALLEGED SHORTAGE

### Government Inspector Williams Makes Investigation at North Charleroi.

An alleged shortage of $1,067 in the acounts of Postmaster Robert G. Staley at North Charleroi which has been made good by his bondsmen, John Hogan and Jacob H. Zollars, has created a mild furore in that borough and Charleroi. No public action has been taken in the matter, although Government Inspector Williams has been here in charge of the matter. For the present Miss Ada Wolfe, Staley's assistant, is being retained in the postoffice as acting postmaster until another is appointed to the place.

Last night Mr. Staley was questioned closely as to what had been done with the money, but admitted that he could not remember of spending more than $175, and that for needed repairs. The affair came as a shock to the community, which had implicit faith in Mr. Staley's honesty. He formerly was the principal of the school at North Charleroi, and was well liked. He has a wife and one child.

Some public action may follow. At present the postoffice is in charge of Mr. Staley's bondsmen.

### Shaner—Barrett.

The wedding of John Barratt of Charleroi and Miss Ethel Shaner of Monongahela occurred yesterday in Washington. The couple went to the county seat, secured their license and were married straightway. Mrs. Barratt is the youngest daughter of Mr. and Mrs Wesley Shaner of Monongahela, and is a well known young lady. The groom is the nephew of Thomas Harrington of Charleroi, formerly superintendent of the Pittsburg Railways company. He is at present employed at the Pittsburg Steel company at Monessen as a craneman.

## RESULT OF BIG CONTEST WILL BE DOUBTFUL TO END

### Race for Prizes So Close in Most Districts that Question of Outcome Can Only be Settled by Final Developments—Three More Days of the Twenty-Five Thousand Bonus Vote Offer.

## UP RIVER CANDIDATE LEADES CONTEST

**BONUS OFFER**

25,000 Bonus Votes will be given on every $25 turned in on subscriptions this week. Get Busy, Stay Busy.

Three days before the close of the twenty-five thousand bonus vote offer. Candidates should grasp this opportunity and get in every possible subscription, for this offer is POSITIVELY the best as they will be smaller each week. The contest is as much in doubt as when it was in the earliest stages.

So close are the leading contestants running in most districts that the question of the final outcome can only be settled by the final developments.

The result will be doubtful until the very end.

No matter, however, how well any contestant has been supported to date he stands in need of every subscription he can possibly secure in the remaining days.

It is really the people who decide the question of the outcome, for upon the extent to which they help their favorites with subscriptions depends their success of prize winning.

The victory at the finish will go to the contestants who are most active in their solicitation of support during the remaining days of the campaign.

As a result of today's balloting Mr. George Collins wrested the leadership honors from Mr. Harry Vetter. It promises to be a grand race. Who will be in first plcae tomorrow?

## PITTSBURG SINGERS APPEAR FOR ELKS

### Concert at School Hall Last Night Pleasing Musical Event of Season.

The Elks' Concert given at School Hall last night, while it did not draw largely as anticipated, was one of the foremost musical events of the season in Charleroi, and those who attended were given a treat. The concert was given by four noted Pittsburg singers, and a local violinist.

The singers were Mrs. Charles Farrow Kimball, sopano; David Stephens, tenor; Miss Christine Miller, contralto; and John Roberts, basso, Miss Miller was probably the favorite, although from the liberal applause which was given each performer it was difficult matter to determine the one winning the best graces of the audiences.

As a quartet the singers were very good. Their rendition of Pinsuti's "Good Night, Good Night Beloved" was the best, although the selection from Verdi, "Fairest Daughter of the Graces," was of exceptional merit.

The vocalists excelled in solo work. Miss Miller rendered all her solos in a fine manner, her best probably being "The Daaza" by Chadwick. Mrs. Kimball's rendition of "The Nightingale" won for her great applause. Her other selections were on a par with it. John Roberts, the basso in "Danny Deaver," by Damrosch, was one of the "bits" of the evening. His "For All Eternity," by Mascheroni, with the violin obligato by Mr. Wheeler, was especially pleasing. David Stephens, the tenor, produced his best efforts, and was rewarded by liberal applause. All of his selections were on a par, one not appearing better than another.

Joseph A. Wheeler of Charleroi was the violinist, and his fine choice of selections and excellent rendition of them, made him a favorite. It was the first time that he has been heard on a Charleroi stage, and his talent burst forth in a blaze of glory. Vincent B. Wheeler was the accompanist and performed his work in commendable style.

## CONGREGATION WILL TENDER RECEPTION

A farewell reception for Rev. and Mrs. H. C. Boblitt it being arranged by members of the First Christian church to be given at the church Friday evening. The affair will be preceded by a meeting of the Anchor Class of the Sunday School. On Saturday Rev. and Mrs. Boblitt will go to Philipsburg, near California, to hold evangelistic services. From there they will go to Ohio for a two week's vacation and then will return to Homestead to hold a series of meetings. Rev. Boblitt has about a year's engagement ahead.

## NEW LIBRARY PLAN TO BE ANNOUNCED

### Edward Amherst Ott Starts System Which May be Taken up Here.

At the special number of the Citizens Entertainment course at School Hall tonight, when Mrs. Cornell-Whitney will give an elocutionary and impersonating entertainment, a co-operating reading course will be launched. About 30 volumes of current fiction will be distributed among the audience with instructions to read the book within a week's time and then pass it along to some one else.

The plan was originated in this community by Edward Amherst Ott of the Redpath Lyceum Bureau of Chicago, when the latter lectured here last month. The object is a plan for economy in reading, for fellowship, and a test of the spirit of helpfulness. It is also a protest against the high pricer of a certain class of books. The books are donated by various individuals, and are public property. Each reader is asked to write his name, address and date of reading on a fly leaf of the book and pass it on. The books never come back.

This plan is a circulating book instead of a circulating library. It is purely a co-operative plan and everybody is asked to join in the movement, and steps will be taken from time to time to secure new books and start them out on their misson of enlightment.

## Fallowfield Township Teaching Agriculture

In reference to educational affairs Fallowfield township enjoys a distinction that belongs to no other township in Washington county at the present time. One of the studies taught in all of the schools of that township is agriculture. County Superintendent Crumrine visited the schools in that section last week and found that study to be one of the most interesting in nearly every school. A regular text book is used and besides this the teachers make use of the wonderful natural resources surrounding their school houses. In many of the school houses earth has been placed and the children have planted seeds. In this way they are taught the formation of the soils, the different processes the seeds pass through and many other valuable points.

### Tecolote Club Dance.

The Tecolote Club of California have issued invitations for a dance to be given on Friday evening, March 11, at their club house. Crow and W. E. Hart.

## HEAVY FOG BOTHERS RAILROAD TRAFFIC

### Morning Train Held Back 45 Minutes in Leaving Union Station.

The heavy fog enveloping the Monongahela valley this morning caused great inconvenience to railroads and various concerns. The early morning trains were all running late as a result, train No. 16, due here at 8:17, reaching the climax, it being 58 minutes late. This train left Union Station, Pittsburg, 45 minutes late, owing to the fog, which was heavier there than it was farther south. The train had lain all night at 30th street and from the disarranged traffic this morning was unable to get to Union station to start out on schedule time.

## TROUBLES OF BABISH

### Fayette City Man Has Share and Then Some---Child Burned To Death.

John Babish of near Fayette City and another foreigner were arrested yesterday by a State plain clothes man, for owning and carrying weapons. They were both taken before Justice Frank Benalick of Fayette City and fined $25 and costs each. The offense was claimed to be a violation of the Act of Assembly regarding the owning of guns by foreigners.

Babish is the husband of the woman who has become noted for her sensational actions at Fayette City. She has tried to drown herself and babe, and in other ways do away with her life. Last week, it is stated the Babish child was burned to death, but whether or not the woman had anything to do with this is not stated. She is said to be insane.

## SMITH IN VICINITY?

### Fallowfield Township Resident Thinks He Saw Murderer Monday.

Frank Smith, the man who shot and killed his father and brother-in-law at Dunn's Station, Fayette county last Sunday, is believed to have passed through this section Monday in his flight from the scene of the murder. Yesterday afternoon a Fallowfield township farmer who came to town communicated with Chief of Police Albright in regard to a suspicious character he had encountered on the Maple creek road the day before.

The farmer says he was walking up the road when he saw a man approaching The latter, on seeing the farmer, however, left the road and started up the hill in the direction of Monongahela. The man wore wool boots and his description tallied with that telegraphed to Chief Albright by the district attorney of Fayette county. The farmer says the man had something up his sleeve with an object protruding that looked like the butt of a huge revolver. It is thought that if it were Smith he would strike for the country districts, avoiding the towns until he could take the railroad at some unwatched place.

Entered in the Post Office at Charleroi Pa., as second class matter.

## An Important Move.

The deal the borough council has completed with the Pittsburg Railways company whereby the latter agrees to open McKean avenue through its private right of ways to the North Charleroi line is a most important one This makes Charleroi's main thoroughfare continuous and removes an awkward situation at the north end of town. While the street car lines runs direct through from North Charleroi, the public thoroughfare for driving was around this right of way by way of Lincoln avenue.

This inconvenience, which has existed from the time the town was laid out, will now be removed. This will add very materially to the well being of the town and in effecting the extension council has accomplished a good work.

## What Arbitration Does.

Charleroi has afforded an example of arbitration that Philadelphia will do well to follow. The settlement of the vexed milk question, in the dispute between the Fallowfield Township Milkmen's Association and the borough council and board of health in regard to regulations and inspection, had reached a breaking point which threatened to impose a milk famine on the town. Not only that, but in the controvery, which had become heated, other business interests were threatened, and a factional fight was imminent.

Just as the controversy had reached a climax a body of disinterested citizens took the matter up, and in a conference between the milkmen, the board of health, and themselves, the matter was easily adjusted. It was not at all difficult to come to an understanding when every side was presented and understood, with each party willing to concede a point or two in the interests of peace. This can be accomplished in nearly every dispute of like nature if only reason, justice and good sense will be employed. There are always two sides to a dispute, and nothwithstanding the oft repeated assertion, "there is nothing to arbitrate," it is always stubborness and prejudice on one side or the other that make such disputes and strikes disastrous to the public and those involved.

Street Commissioner Jacob Hormell, and his men have begun the annual spring cleaning of the streets and are rapidly putting them in presentable shape. Since the beginning of winter the streets have been in a dirty condition. owing to the frequent snows, but now with the opening of the weather an effort is being made to have them put in better condition.

## Card of Thanks.

We desire to express to our many friends and neighbors our deep gratitude for the many expressions and tokens of their sympathy with us in our recent bereavement in the loss of wife and daughter. Especially do we wish to thank those who so kindly and patiently ministered to our loved one during her illness, those who gave the beautiful floral tributes, among which was one that specially touched our hearts—"the broken circle"—and those who sang. These were all so many expressions of Christian love and friendship, for which we desire to express our heartfelt thanks.

## WEAK, WEARY WOMEN

**Learn the Cause of Daily Woes and End Them.**

When the back aches and throbs.

When night brings no rest nor sleep.
When urinary disorders set in.
Women's lot is a weary one.
There is a way to escape these woes.
Doan's Kidney Pills cure such ills.
Have cured women here in Charleroi
This is a Charleroi woman's testimony.

Mrs. M. E. Richards, 66 Washington avenue, Charleroi, Pa., says: "I gladly confirm all I said in my former statement given for publication in favor of Doan's Kidney Pills. Last summer I used several boxes of this remedy, procured at Piper Bros.' Drug Store, when suffering from an attack of rheumatism and it promptly drove away my trouble. I have often recommended Doan's Kidney Pills and shall continue to do so."

## FOR CONSTIPATION

**A Medicine that Does Not Cost Anything Unless It Gives Satisfactory Relief.**

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that we honestly believe will effect permanent relief if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction we promise that it shall cost you nothing. No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The acitve medicinal ingredient of this remedy, which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other valuable ingredients, it forms a preparation which is incomparable as a perfect regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy, and are notable for their gentle and agreeable action. They do not cause griping or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children and for delicate or aged persons, because they do not contain anything injurious. Unlike other preparations they do not create a habit, but instead they overcome the habits acquired through the use of ordinary laxatives, cathartics, and harsh physic, and remove the causes of onstipation or irregular bowel action that are not of surgical variety.

We want you to try Rexall Orderlies at our risk. We know of nothing that will do you so much good. They are prepared in tablet form in two sizes: 36 tablets 25 cents and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Charleroi only at our store—The Rexall Store. John W. Carroll.
